

EVENT

Climate change mitigation and adaptation can be funded locally

Hometown investment trust funds can be used to fund climate change mitigation and adaptation. ADBI Dean Naoyuki Yoshino made these remarks at a workshop in Tokyo, 5–6 July, on tackling financing needs and possible funding sources to fight climate change in developing Asia and the Pacific.

BOOK

ADB launches a book on trade and SDGs at the WTO

Win-Win: How International Trade Can Help Meet the Sustainable Development Goals, was launched at the 6th Aid for Trade Global Review event of the World Trade Organization on 13 July in Geneva. The book maps out a triple-win scenario whereby good trade policy spurs international trade, fosters development, and helps achieve the SDGs.

WORKING PAPER

Spotlight on Tokyo: Leading global financial center?

Tokyo could become a regional financial center, but it faces challenges as Japan's cross-border transactions are mainly with developed economies such as the US and Europe.

BLOG

Costs of expanded public pension coverage in emerging Asia

Few analyses forecast public pension spending in emerging Asian economies. A new ADBI study examines a broader and less-analyzed set of Asian countries to see how much they are spending on public pensions.

PODCAST

Bringing financial services to the masses

Post offices can deliver financial services to people who don't have access to traditional banks. But developing efficient postal finance isn't easy.
